1.0 License

1.1 Single User License Grant. The Commission on Accreditation of Rehabilitation Facilities and/or CARF Canada (individually and collectively, "CARF") grants to the Purchaser a nonexclusive and nontransferable license to use the CARF software provided or made available by CARF to Purchaser ("Software") on a single hardware chassis owned or leased by Purchaser and to print one (1) complete set of the CARF standards. Software also includes any upgrades, updates, bug fixes, modified versions, and copies of the Software licensed or provided to Purchaser by CARF.

1.2 Multiple-Users License Grant. If Purchaser has purchased a multi-user license from CARF, CARF grants to Purchaser a nonexclusive and nontransferable license to use the Software in **ONLY ONE** of the following manners:

- make copies of the Software, up to the total number of persons for which Purchaser has paid a license fee ("Permitted Number of Users"), for use on a number of hardware chassis owned or leased by Purchaser that does not exceed the Permitted Number of Users; or
- installed on a number of hard disks or other storage devices owned or leased by Purchaser, up to the Permitted Number of Users, for use on the hardware chassis that house such hard disks or storage devices; or
- installed on a single file server for use on a single local area network or intranet (each referred to as a "Network") for either (but not both) of the following purposes: (a) permanent installation onto a number of hard disks or other storage devices owned or leased by Purchaser, up to the Permitted Number of Users, for use on the hardware chassis that house such hard disks or storage devices; or (b) use of the Software over such Network, provided the total number of persons that will use the Software over the Network does not exceed the Permitted Number of Users.

Purchaser may also print a number of complete sets of the CARF standards up to the Permitted Number of Users.

2.0 Audit of Records. Purchaser grants to CARF or its independent accountants the right to examine its books, records, and accounts during Purchaser's normal business hours to verify compliance with this Agreement. In the event such audit discloses non-compliance with this Agreement, Purchaser shall promptly pay to CARF the appropriate licensee fees. At CARF's option, CARF may terminate this license for failure to comply with this Agreement.

3.0 Copyright Notices. Purchaser shall maintain and reproduce all copyright and other proprietary notices on all copies, in any form, of the Software in the same form and manner that such copyright and other proprietary notices are included on the Software.

4.0 Prohibition Against Copying. Except as expressly authorized in this Agreement, Purchaser shall not make any copies or duplicates of any Software without the prior written permission of CARF. Purchaser may make such back-up copies of the Software as may be necessary for Purchaser's lawful use, provided Purchaser affixes to such copies all copyright, confidentiality, and proprietary notices that appear on the original.

5.0 Other Prohibited Acts. Purchaser agrees, except as otherwise expressly authorized hereunder, not to:

- remove any product identification or notices of any proprietary or copyright restrictions from the Software; or

- make error corrections to or otherwise modify or adapt the Software nor create derivative works based upon the Software, or to permit third parties to do the same; or copy, in whole or in part, decompile, reverse engineer, disassemble, or otherwise reduce the Software to human-readable form.

6.0 Acknowledgment of Copyright. Purchaser hereby acknowledges that the Software and all elements thereof constitute the copyrighted material of CARF. Purchaser shall not disclose, provide, or otherwise make available such copyrighted material in any form to any third party without the prior written consent of CARF. Purchaser shall implement reasonable security measures to protect such copyrighted material. Title to Software shall remain solely with CARF.

7.0 Limited Warranty. CARF warrants that for a period of ninety (90) days from the date of shipment from CARF: (a) the media on which the Software is furnished will be free of defects in materials and workmanship under normal use; and (b) the Software contains all of its published contents. Except as expressly granted in this Agreement, the Software is provided **AS IS**. This limited warranty extends only to Purchaser as the original licensee. Purchaser's sole and exclusive remedy and the entire liability of CARF under this limited warranty will be to replace the Software if returned to CARF. In no event does CARF warrant that the Software is error free or that Purchaser will be able to operate the Software without problems or interruptions. This warranty does not apply if the Software: (a) has been altered, except by CARF; (b) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by CARF; or (c) has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident.

8.0 Disclaimer. EXCEPT AS SPECIFIED IN THE FOREGOING WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, SATISFACTORY QUALITY, OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW.

9.0 Limitation of Liability. IN NO EVENT WILL CARF BE LIABLE FOR ANY LOST REVENUE, PROFIT, OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE EVEN IF CARF HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. In no event shall CARF's liability to Purchaser, whether in contract, tort (including negligence), or otherwise, exceed one dollar (\$1.00). The foregoing limitations shall apply even if the above-stated warranty fails of its essential purpose.

10.0 Term. This Agreement is effective until terminated. Purchaser may terminate this Agreement at any time by ceasing to use and destroying all copies of Software. This Agreement will terminate immediately without notice from CARF if Purchaser fails to comply with any provision of this Agreement. Upon termination, Purchaser must cease to use and destroy all copies of Software in its possession or control.

11.0 Miscellaneous. (a) This Agreement shall be binding upon Purchaser and its successors and permitted assigns; provided, however, that Purchaser shall not assign this Agreement or any rights hereunder without CARF's prior written consent. (b) Should any provision of this Agreement be held invalid, illegal, or unenforceable by a tribunal of competent jurisdiction, then notwithstanding such invalidity, illegality, or unenforceability, the remaining terms and provisions of this Agreement shall not be affected and shall continue to be valid and enforceable to the fullest extent permitted by law. (c) This Agreement shall be governed by the substantive law of the State of Arizona. Except as otherwise provided herein, any and all disputes, claims or controversies arising between CARF and Provider with respect to the performance, terms and conditions, or subject matter of this Agreement shall be resolved by final and binding arbitration conducted in Tucson, Arizona, by a single arbitrator under the auspices and in accordance with the commercial arbitration rules of the American Arbitration Association. (d) This Agreement represents the entire agreement of the parties with respect to the Software and Purchaser's use thereof.
