

Recordings are available for delivery two business days after the webinar date.

There is no limit on the number of staff who can view the purchased recording(s) but it is restricted for internal use only and the file or links may not be passed onto anyone outside your organization.

Purchased webinars are available for review until the end of the calendar year.

You will receive an email confirmation with the link(s) to your purchased recording(s), the Power Point slides, and any handouts from the webinar attached. This is a web-based product—not a CD or a downloadable file.
